

2023 Fall Semester

(2nd Round)

**Admission Guide for
International Students**

**– Undergraduate and Graduate Student
[Freshman & Transfer] Courses –**

Contents

1. Admission Schedule	1
2. Fields of Study and Quota	2
3. Eligibility and Required Documents	8
4. Important Notes on Application	10
5. Application Fee Refund Information	10
6. Evaluation Method (Selection of Successful Applicants)	11
7. Notification of Admission Result and Tuition Fee Payment	12
8. Important Notes for Applicants	12
9. Other Information	13
[Appendix 1] 2023 Tuition Fee for a Semester	14
[Appendix 2] 2023 Scholarships for International Students	16
[Form 1] Application Form	19
[Form 2] Study Plan & Resume	20
[Form 3] Agreement on Personal Information Collection, Use, and Provision ..	21
[Form 4] Affidavit of Financial Support	22

1 Admission Schedule (2023 Fall Semester)

Application	Schedule (Korean Standard Date and Times)	Location(Contents)	Remarks
Online Application	2023. 7. 20.(Thur) ~ 2023. 7. 25.(Tue)	Online application (www.uwayapply.com)	Fill out and print out the online application form and submit it with the required documents.
Submission of Required Documents (By post or in person)	Deadline: 2023. 7. 25.(Tue) 15:00	Send to: International Exchange Team Dong-eui University, 176 Eomgwangro, Busanjin-gu, Busan, Korea, 47340 or Visit: International Exchange Team (located on the 4th floor of the main building of Dong-eui University)	
Documents Screening	2023. 7. 26.(Wed) ~ 8. 7.(Mon)	Evaluation by the International Exchange and International Students Committee (Documents screening)	
Interview	2023. 8. 9.(Wed) ~ 2023. 8. 14.(Mon)	Confirmation by the departments and local interviews	Conducting documents and interview evaluation by the departments
Final Screening	2023. 8. 16.(Wed) ~ 8. 18.(Fri)	Evaluation by the International Exchange and International Students Committee (Final screening)	
Notification of Admission Result	2023. 8. 21.(Mon) <i>- can be changed</i>	Admission result will be notified on the International Exchange Team website or individually.	Candidates who are expected to graduate are only conditionally passed, and the final acceptance will be determined based on the result of graduation.
Printout of Tuition Bills	2023. 8. 22.(Tue) ~ 8. 23.(Wed)	Successful applicants can receive their tuition bills by e-mail, post or visiting our office in person.	
Payment of Tuition Fees	2023. 8. 24.(Thur) ~ 8. 25.(Fri)	Payment period and payment method will be announced through the notice for successful applicants.	Designated Account Payment Name of Bank: KB Kookmin bank Account Holder's Name: Dong-eui University Bank Account Number: 109801-04-286665

※ The above schedule is subject to change depending on the visa issuance status or the circumstances of the school.

2 Fields of Study and Quota

1) Undergraduate Programs

※ The name of the major written in English is subject to change if the English notation is confirmed later.

Field	College	Major	Quota	
Humanities and Social Sciences	College of Humanities and Social Sciences	Department of Korean Language & Literature	※ There is no particular quota per major for international student admissions.	
		Department of Chinese Language and China		
		Department of Japan		
		Department of English Language & Literature		
		Department of Library & Information Science		
		Department of Lifelong Education and Youth Counseling		
		Department of Early Childhood Education		
		Department of Advertising & PR		
		Department of Media & Communication		
		Department of Law		
		Department of Police Administration		
		Department of Fire Administration and Disaster Management		
		Department of Administration		
		Department of Social Welfare		
	College of Business & Economics	Department of Economics, Finance and Insurance		
		Department of Finance & Real Estate		
		Department of International Trade		
		Department of Distribution & Logistics		
		Department of Business Administration		
		Department of Accounting		
		Division of Information Management		Management Information System Major
				E-Business Major
		Department of International Tourism Management		
Department of Hotel & Convention Management				
Department of Restaurant and Food Service Management				
Science and Physical Education	College of Nursing, Healthcare Sciences and Human Ecology	Department of Clinical Laboratory Science		
		Department of Dental Hygiene		
		Department of Radiological Science		
		Department of Healthcare Management		
		Department of Physical Therapy		
		Department of Childcare and Family Counseling		
		Department of Food & Nutrition		

Engineering	IT Convergence College of Components and Materials Engineering	Division of Materials Engineering	Metallurgical & Materials Engineering Major	※ There is no particular quota per major for international student admissions.
			Polymeric Materials Engineering Major	
			Electrical & Electronic Materials Engineering Major	
Arts and Physical Education		Division of Design Engineering	Product Design Engineering Major	
Engineering			Human-System Design Engineering Major	
Engineering		Division of Mechanical, Automotive, and Robot Components Engineering	Mechanical Engineering Major	
			Robot and Automation Engineering Major	
			Automotive Engineering Major	
		Division of Industrial Convergence Systems Engineering	Industrial ICT Engineering Major	
		Industrial Management & Big Data Engineering Major		
Engineering	Division of Urban, Architecture and Civil Engineering	Architecture Major(5-years)		
		Architectural Engineering Major		
		Civil Engineering Major		
		Urban Engineering Major		
	Division of Applied Bioengineering	Biomedical Engineering and Biotechnology Major		
		Biopharmaceutical Engineering Major		
		Food Science and Technology Major		
	Division of Chemical & Environmental Engineering	Chemical Engineering Major		
		Environmental Engineering Major		
		Applied Chemistry Major		
	Department of Naval Architecture & Ocean Engineering			
Engineering	College of ICT Engineering	Department of Computer Engineering		
		Division of Creative Software Engineering	Computer Software Engineering Major	
			Applied Software Engineering Major	
		Division of Electrical, Electronic and Communication Engineering	Electrical Engineering Major	
			Electronic Engineering Major	
			Information & Communications Engineering Major	
		Department of Digital Contents		
		Department of Game Engineering		
		Arts and Physical Education	Department of Film Studies	
		Engineering	Department of Artificial Intelligence	
Arts and Physical Education	Department of Art & Design	Visual Communication Design Major		
		Industrial Design Major		
		Craft Design Major		
		Western Painting · Korean Painting · Environmental Plastic Arts Major		
Science and Physical Education	Department of Fashion Design			
	Department of Physical Education			
Arts and Physical Education	Department of Leisure Sports			
	Department of Taekwondo			

2) Graduate Programs

a. General Courses

Field	Department	Course		Major	Master's Thesis Replacement Availability
		Master	Doctor		
Humanities and Social Sciences	Department of Korean Language & Literature	●	●	Classical Literature, Modern Literature, Literary Art Writing	×
	Department of Chinese-Korean Translation	●	●	Chinese to Korean Translation, Korean to Chinese Translation, Chinese Literature	×
	Department of Japanese Language & Literature	●	●	Japanese Language, Japanese Literature, Japanese Studies	●
	Department of Library and Information Science & History	●	●	Library and Information Science, Records Management // Korean History and Archaeology, History Information-Museology	●
	Department of Lifelong Education and Youth Counseling	●	●	Lifelong Education Evaluation, Community Education, Human Resource Development, Lifelong Education Program, Adolescent Counseling	×
	Department of Communication & Advertising	●	●	Communication and Media // Advertising and PR	●
	Department of Law	●	●	Public Law, Private Law	×
	Department of Police Administration	●	●	Police Science, Criminology, Security Science	×
	Department of Fire Administration and Disaster Management	●	×	Firefighting, Disaster Management	●
	Department of Public Administration and Policy	●	●	Theoretical Administration, Public Policy, Political Theory, Comparative Politics, International Relations	×
	Department of Social Welfare	●	●	Welfare Policy, Social Welfare Administration, Community Social Welfare, Family Welfare, Welfare for the Aged, Welfare for the Disabled, Mental health, Child and Youth Welfare, Industrial Welfare	●
	Department of Economics and International Trade	●	●	Theoretical Economics, Applied Economics, Climatic Economics // International Economics, International Commercial transactions, International Management	●
	Department of Banking and Insurance-Finance and Real Estate	●	●	Banking and Insurance // Finance and Real Estate	●
	Department of Business Administration	●	●	Personnel Organization, Marketing, MS-MIS, Financial Management // Accounting	●
	Department of Management Information Systems & e-Business	●	●	Management Information // e-Business	●
Department of Distribution & Logistics	●	●	Distribution, Marketing Strategy, Logistics	●	
Department of Tourism, Hotel & Food Service Management	●	●	Hotel and Convention Management // Tourism Management // Restaurant and Food Service Management	●	
Science	Department of Biopharmaceutics	●	×	Bio-pharmaceutics	●
	Department of Smart Bio-Health	●	●	Health Advanced Materials, Bio-Advanced Materials, Molecular Biology, Biochemistry, Physiological Activity of Natural Products, Smart Bio-IT	×
	Department of Clinical Laboratory Science	●	×	Clinical Pathology	×
	Department of Food & Nutrition	●	×	Food Chemistry and Sanitation, Nutrition	●

Field	Department	Course		Major	Master's Thesis Replacement Availability
		Master	Doctor		
Engineering	Department of Architectural Engineering	●	●	Architecture Design Studio // Architecture Construction, Construction Technology // Building Environment and Equipment	●
	Department of Civil Engineering	●	●	Structural Engineering, Hydraulics and Harbour, Geotechnical Engineering, Surveying and Geographic Spatial Information	×
	Department of Urban Engineering	●	●	Urban Planning and Design, Transportation Engineering and Design, Urban Information System, Urban Policy, Smart City, Real Estate Development	×
	Department of Mechanical Engineering	●	●	Heat-Fluid, Material and Fracture Mechanics, Manufacturing and Design, Vibration-Control and Noise	×
	Department of Electrical Engineering	●	●	Control and System, Electric Machinery and Power Electronics, Electric Materials and High Voltage	×
	Department of Intelligent System Engineering	●	●	Intelligence Automation, Intelligent Control Instrumentation, Intelligent Robots	●
	Department of Electronic Engineering	●	×	Communication System, Computer System, Control Engineering and Robotics, Digital Signal Processing, Semiconductor	×
	Department of Information & Communications Engineering Major	●	●	Digital & Global System for Mobile Communications, Microwave & Light Wave, Information Security, Next Generation and Internet Communications	×
	Department of Computer Engineering	●	●	Computer System, Computer Application	●
	Department of Computer Software Engineering	●	●	Software Engineering, Internet Information Security, Embedded Software, Multimedia Application, Application Software	●
	Department of IT Convergence	●	×	Big Data Convergence, IT Convergence, Artificial Intelligence	●
	Department of Chemical, Environmental & Industrial Engineering	●	●	Chemical Engineering/Engineering Chemistry // Wastewater Treatment Engineering, Waste Treatment, Air Pollution Control Engineering, Water Treatment Engineering // Quality and Manufacturing System, Management Science, Ergonomics	×
	Department of Advanced Materials Engineering	●	●	Advanced Materials, Electrical and Electronic Materials, Metallic Materials, Polymer Materials	●
	Department of Digital Media Engineering	●	●	Digital Video and Sound Processing, Digital Contents, Computer Graphics, Game and Virtual Reality, Digital Broadcasting, Internet Application, Digital Animation	●
	Department of Naval Architecture and Ocean Engineering	●	×	Ship Building and Offshore, Ocean Engineering	×
	Department of Applied Chemistry-Food Science and Technology	●	●	Organic-Bio Chemistry, Inorganic-Analytical Chemistry, Physical Chemistry-Spectroscopy // Food Engineering	×
	Department of Industrial Management & Big Data Engineering (Newly Opened Department)	●	×	Industrial Management, Applied Statistics, Management Science, Data Mining, Industrial Engineering	●
Art and Physical Education	Department of Art and Design	●	●	Visual Communication Design, Industrial Design, Craft Design	×
	Department of Physical Education	●	●	Physical Education	●
	Department of Cinema & AudioVisual Contents	●	×	Film Theory, Film Production, Documentary, Digital Video Contents	●

b. Interdisciplinary Courses

Field	Department	Course		Major	Master's Thesis Replacement Availability
		Master	Doctor		
Humanities and Social Sciences	Department of East Asian Studies	●	●	Korea-Japan Culture Commerce, Korea-China Culture Commerce, Multicultural Studies	●
	Department of Buddhist Culture	●	●	Buddhist Culture Arts, Applied Buddhism, Philosophy of Buddhism·History of Buddhism	●
	Department of Storytelling	●	●	Storytelling and Marketing, Visual Storytelling, Storytelling Contents	●
	Department of Practical Business	●	●	Practical Management, Medical Management, Public Management (Newly Opened)	●
	Department of Early Childhood Education	●	●	Early Child Education, Child Care	●
	Department of Convergence Media Education Technology	●	●	Educational Technology, Media Design	●
	Department of International Cooperation and Diplomacy	●	●	International Development Cooperation, Public Diplomacy, International Security Terror	●
Science	Department of Biomedical Health Science	●	●	Clinical Pathology, Radiology, Health Care Management	●
	Department of Physical Therapy	●	●	Physical Therapy	×
	Department of Dental Hygiene	●	●	Dental Hygiene	×
Engineering	Department of Geoinformatics	●	×	Smart City, Surveying and GPS, GIS-T, Urban Planning	×
	Department of Smart City	●	●	Space Design, Mobility, Safety, Energy	×
	Artificial Intelligence	●	●	Artificial Intelligence, Artificial Intelligence System	●
Art and Physical Education	Department of Arts Therapy	●	●	Integrative Arts Therapy	●

※ It is only available to transfer in 2nd semester for newly major in 2023

3) Special Graduate School Program

a. Graduate School of Industrial Culture

Field	Department	Course	Major
		Master	
Engineering	Department of Design Engineering	<input type="radio"/>	Media & Design Engineering
		<input type="radio"/>	Industrial Design
Humanities and Social Sciences	Department of Advertising & Marketing	<input type="radio"/>	Advertising and Marketing

b. Graduate School of Education

Field	Department	Course	Major
		Master	
Humanities and Social Sciences	Department of Education	<input type="radio"/>	Korean Language Education as a Foreign Language [※]
Art and Physical Education		<input type="radio"/>	Physical Education
		<input type="radio"/>	Taekwondo Education Major

※ Only those with a level of 6 or higher in the Korean Language Proficiency Test (TOPIK) can apply.

(It is limited to the major of Korean language education as a foreign language and must be inquired in advance.)

Inquiry: +82-51-890-3803

3 Eligibility and Required Documents

1) Common Eligibility

Eligibility	
Citizenship	Both the applicant and the applicant's parent(s) must be non-Korean citizens. ※ Citizenship status is determined at the time of application deadline, and applicants with dual nationalities cannot apply for this screening procedure.
Language Proficiency Requirements	An applicant who meets one or more of the following ①~④ criteria ① Test of Proficiency in Korean(TOPIK) level 3 or above ② English Language Proficiency - IELTS 5.5 or above ③ GKS(Global Korea Scholarship) Students, Foreign Government-Sponsored Scholarship Students (University's own admission criteria are applied according to the Ministry of Justice's guideline for visa issuance and residence management for foreign students) ④ International Students with the approval of the president of Dong-eui University ※ Graduate students only

※ In principle, the above eligibility shall be based on the results of the International Education Quality Assurance System(IEQAS) organized by the Ministry of Education

※ Arts and Physical Education

- ① **Undergraduate:** Division of Design Engineering-Product Design Engineering Major, Department of Film Studies, Department of Art & Design, Department of Physical Education, Department of Leisure Sports and Department of Taekwondo
- ② **Graduate:** Department of Art and Design, Department of Cinema & Audio Visual Contents, Department of Arts Therapy, Department of Physical Education
- ③ **Graduate School of Education:** Taekwondo Education Major

2) Undergraduate Programs(Freshman and Transfer)

- ① **Freshman:** High school graduates(or prospective graduates)
- ② **Transfer(Junior):** Applicants who have completed (or prospectively completed) 2 years or more at a 4-year university in Korea or overseas, or applicants graduating (or prospectively graduating) from domestic or foreign colleges

3) Master's Programs(Freshman)

- ① Applicants who have obtained, or are expected to acquire, a bachelor's degree from a domestic or overseas university
- ② Applicants who have been recognized as having academic background equivalent to or higher than that of Paragraph
- ③ Applications can be made regardless of department (Major) from the bachelor's course

4) Doctor's Programs(Freshman)

- ① A person who has obtained a master's degree from a domestic or foreign university or a prospective
- ② A person recognized by law as having an educational background equal to or greater than that of paragraph ①
- ③ Applications can be made regardless of the department (Major) from the master's program

5) Master & Doctor's Programs(Transfer)

- ① A person who has completed (Planned) or completed a course corresponding to the application process for at least one semester at a domestic or foreign graduate school
- ② A person recognized by law as having an educational background equal to or greater than that of paragraph ①

☞ Important Notes Regarding Eligibility

- In principle, elementary, middle and high school study periods are based on the Korean academic system. [Overseas curriculum grades 1 to 6 are regarded as elementary school, 7 to 9 grades as middle school, and 10 to 12 grades as high school.]
- Applicants from countries with less than 12 years of elementary, middle and high school education must complete all foreign curriculums recognized by the Minister of Education as equivalent to the school curriculum equivalent to high school. In principle, only these applicants are recognized as having the same qualifications as high school graduates. However, high school graduation qualification is determined by comprehensively considering the school system and semester of each country based on the regular high school system in Korea.

6) Required Documents

No.	Required Documents	Freshman	Transfer	Master's or Doctoral
1	Application Form(Online Application) and ID Photo	●	●	●
2	Study Plan & Resume	●	●	●
3	Health Certificate - Physical result table of one's own country can be replaceable	●	●	●
4	Official Language Proficiency Certificate	●	●	●
5	Certificate of Nationality of Applicant - Copy of passport or alien registration card	●	●	●
6	Copy of Family Relation Certificate - Copy of parents' passport or ID card - Chinese applicants must submit 户口本证明	●	●	●
7	- Two copies of the final academic background certificate(original certificate of expected graduation for prospective graduates) (Submit Apostille or Consular Certificate of Education, and those who have acquired an academic background or degree in China submit a certification report issued by the Academic Background and Degree Certification Center operated by the Ministry of Education of China.) - Certificate and Transcript of Korean Language Course (Mandatory for Korean Language Course Students) - For Transfer Students: 1) Certificate of High School Graduation 2) Enrollment Certificate and Transcript of More Than 4 Semesters in Previous University(Transfer can be applicable only for junior students.)	●	●	●
8	Two copies Transcript Certificate of the Final Academic Background	●	●	●
9	Professor's Recommendation from Applicant's University	-	-	●
10	Copy of Korean Bank Account Book(only for applicants in Korea)	●	●	●
11	- If the financial guarantor is himself: A certificate of deposit balance issued by domestic and foreign banks in their own name(more than US \$18,000 issued within 30 days of application) or a domestic remittance certificate or a certificate of exchange certificate - If the financial guarantor is not himself: Certificate of deposit balance issued by the financial guarantor's domestic/foreign bank(US \$18,000 or more, issued within 30 days from the date of application) and the financial guarantor's ① Certificate of Employment or Business Registration ②Certificate of Property Tax ③Affidavit of Financial Support(included in the application form)	●	●	●
12	Application Fee: KRW 60,000(paid when online application)	●	●	●
13	Personal Information Collection, Use, and Provision Agreement	●	●	●
※ Required documents must be written in English or Korean, and must be notarized in Korean and English when written in other languages. ※ In principle, you must submit the original documents. If the original cannot be submitted, it must be notarized.				

□ Important Notes Regarding Submitting the Documents

- Documents issued overseas must be **submitted in the original**, and documents not written in Korean or English must be **accompanied by a notarized document translated into Korean or English.**
- For those with an academic background in China, must submit a degree certification report (<http://www.cdgd.edu.cn>) issued by the Ministry of Education's Degree Certification Center or documents issued by Chinese Higher Education Student Information(www.chsi.com.cn).
- Among the successful candidates, prospective graduate must submit their graduation certificate to the International Exchange Team **by Aug 28th, 2023.**
 ※ **In addition to the documents that mentioned above, additional documents can be required for qualification screening.**

4**Important Notes on Application**

- a. The deadline for application submission is **until 2023. 7. 25.(Tue) 15:00**, and the application is accepted only after payment of the application fee.
 - b. Applicants must thoroughly understand the contents of this admission guidelines so that there are no errors, and our university is not responsible for any disadvantages caused by errors or non-compliance with the screening procedures.
 - c. After the electronic payment of the application fee is completed, the application cannot be canceled and the application details cannot be changed. Please note that any disadvantages caused by input errors during application are the applicants' responsibility.
 - d. Even if you have completed the online application and paid the application fee, you will not be eligible for screening unless you submit all required documents within the submission period.
 - e. The applicant's phone number and mobile phone number must be accurately entered so that you can be contacted quickly during the admission processes, and any disadvantages caused by differences in contact information are at the risk of the individual.
 - f. In addition, all deliberations and evaluations related to screening are decided by Dong-eui University.
- ※ For other inquiries, please contact the International Exchange Team.

☎ TEL : 82-51-890-3802, 3803

5**Application Fee Refund Information**

- a. The application fee for online application is inclusive of application handling charges(5,000 won).
- b. Applicants must thoroughly read and understand the contents of this admission guide to avoid mistakes. The university is not responsible for any disadvantages caused by the applicant's mistake or failure to follow the admissions procedures.
- c. The application fee is non-refundable for those who do not meet the qualifications or do not submit application documents.

6
Evaluation Method (Selection of Successful Applicants)

Successful applicants are selected based on comprehensive judgment through document evaluation and interview evaluation.

a. Acceptance Criteria: 70 points or more by adding 50 points for document evaluation + 50 points for interview evaluation

※ Calculate the average value by adding up the interviewer's evaluation scores

b. Evaluation Method: 50% document evaluation + 50% interview evaluation

1) Document Evaluation(50%): 50~30 points are given based on the final academic transcript

Converted to 100 points	80 points or higher	Less than 80 points ~ 60 points or more	Less than 60 points
Document Evaluation Score	50 Points	40 Points	30 Points

※ If there are any missing documents or false facts, the application will be rejected.

2) Interview Evaluation(50%): Evaluation by dividing it into academic attitude and academic competency areas

Evaluation Criteria	Evaluation details	Evaluation score				
		25	20	15	10	0
Academic Attitude (25 Points)	Motivation for application and academic plan	25	20	15	10	0
Academic Competency (25 Points)	Attendance status, award history, and overall activity status	25	20	15	10	0

※ Interviews can be conducted through video interviews(non-face-to-face) depending on the situation.

1) Korean Residents: Face-to-face interview(held at designated locations for each department)

2) Non-Korean Residents: Interview with local partner organization or video interview

c. Important Notes Regarding Interview Evaluation

1) Those who are eligible for an interview for Korean residents must bring their identification card(passport, alien registration card, etc.) on the day of the interview evaluation day and arrive at the designated location.

2) For non-Korean residents, video interviews will be conducted, so you must enter the correct phone number on the application form to receive the notification.

3) If it is found that the agent took the interview, not by the applicant by himself or herself, the admission will be canceled and admission will not be accepted even after passing.

7

Notification of Admission Result and Tuition Fee Payment

a. Notification of Admission Result

- 1) **2023. 8. 21. (Mon) 15:00 - can be changed**, Dong-eui University Office of International Affairs website notification(<http://exchange.deu.ac.kr/>) and individual contact
- 2) Important Notes: Successful applicants must receive a notice and pay the tuition fees during the payment period, and please comply with the regulations set by our university to avoid disadvantages such as cancellation of admission.

b. Printout of Tuition Bills and Payment of Tuition Fees

- 1) Period of Receiving Tuition Bills: 2023. 8. 22.(Tue) ~ 8.23.(Wed)
 - 2) Method of Receiving Tuition Bills: Pick up directly or receive by post or e-mail
 - 3) Tuition Fee Payment Period: 2023. 8. 24.(Thur) ~ 8. 25.(Fri) within banking hours
 - 4) Place of Payment: Designated Bank by Dong-eui University ☞ refer to the tuition bill
- ※ **Failure to pay tuition fees within the tuition fee payment period will result in cancellation of admission.**
- ※ **The schedule above may be changed according to the university circumstances, and if the schedule is changed, it will be announced via website or individually.**

8

Important Notes for Applicants

- a. Submitted documents and application fees are not refundable, and the department and major cannot be changed after submitting the documents.
- b. During the screening period, all announcements(including the announcement of successful applicants) will be updated on the International Exchange Team website.
- c. Please note that applicants are responsible for any disadvantages(such as cancellation of admission) due to insufficient documents, errors or omissions on documents, failure to comply with the requirements in the admission guidelines, unknown address, loss of contact, failure to confirm the list of successful applicants, and failure to comply with the immigration procedures.
- d. If the submitted documents are incomplete or if the information on the application form is incorrect, you will be rejected. Also, in the event of forgery or falsification of documents, errors in translation, or any other person other than the applicant taking the exam, or any other misconduct is discovered, you will be disqualified. In addition, if the admission is found to have passed through illegal means, admission will be canceled, and the student's registration record will be deleted from our university even after graduation.
- e. For this guideline, the Korean language guideline is the top priority, and if the contents are different in terms of meaning because it is translated into other languages, the Korean language guideline is the standard, in principle.
- f. After enrollment, if you do not obtain the graduation credits stipulated by our university regulations, you may not be able to graduate in 4 years(8 semesters) or 2 years(4 semesters).
- g. Please note that if you enroll in two or more universities with the same entrance semester, your admission will be cancelled.
- h. Any other matters not specified in the admission guidelines will be handled in accordance with our university admissions procedures and academic regulations.

- For other detailed inquiries, please contact the International Exchange Team.
 - ◇ Tel : 82-51-890-3802, 3803 FAX: 82-502-600-9187
 - ◇ Address: International Exchange Team, Dong-eui University, 176 Eomgwangro, Busanjin-gu, Busan
 - ◇ Website: <http://exchange.deu.ac.kr/>

9 Other Information

a. Graduation Regulations

- 1) A degree is awarded to a person who has completed all of the prescribed courses and passed the graduation thesis or an equivalent evaluation.
- 2) Among undergraduate students, students who entered with a qualification of TOPIK level 3 or higher must acquire TOPIK level 4 or higher before graduation.

b. Dormitory

- 1) Male students: The 1st Hyomin Residence Hall(Building No. 24),
Female students: Women's Career Development Center(Building No. 13)
- 2) Facilities: single room or double room(including bed, desk, chair and wardrobe, but no bedding)
※ Only double room is available in Women's Career Development Center
- 3) Dormitory Fee: KRW 1,031,000~1,629,000 per semester(4 months) - including 100 meals and deposit
(can be changed)
- 4) If you wish to enter a school dormitory, you must pay the dormitory fee together with the tuition fee.
※ In principle, the period of residence in the dormitory is one year after enrollment.

c. Insurance for International Students

National Health Insurance is mandatory from March 2021, and the following month's fee is paid by the 25th of the previous month.

Appendix 1

a. Tuition Fee for Undergraduate Program

Field	2023 Tuition Fee for a semester		
	Entrance Fee	Tuition Fee	Total Amount
Humanities & Social Sciences	KRW 0	KRW 2,699,000	KRW 2,699,000
Science & Physical Education	KRW 0	KRW 3,245,000	KRW 3,245,000
Engineering & Arts	KRW 0	KRW 3,704,000	KRW 3,704,000

- ※ The College of IT Convergence Components and Materials Engineering and the College of ICT Engineering are included in the field of Engineering and Arts.
- ※ College of Nursing, Healthcare Sciences and Human Ecology is included in the field of Natural Sciences and Sport Science.
- ※ In case of Division of Media & Advertising(Department of Communication & Media, Department of Advertising & PR), the practical training fee will be charged in addition to the tuition(KRW 100,000 per semester)
- ※ Department of Fashion Design(Freshman, Sophomore, Junior, Senior) is included in the field of Natural Sciences and Sport Science(Including students on leave of absence and returning students)
- ※ **KRW 120,000, 20% of the 2017 admission fee, is added to the first semester tuition for all new and transfer students in each department.**

b. Tuition Fee for Graduate Programs

Course	Field	2023 Tuition Fee for a Semester		
		Entrance Fee	Tuition Fee	Total Amount
Master's Course	Humanities & Social Sciences	KRW 630,000	KRW 4,019,000	KRW 4,649,000
	Science & Physical Education	KRW 630,000	KRW 4,581,000	KRW 5,211,000
	Engineering & Arts	KRW 630,000	KRW 5,136,000	KRW 5,766,000
Ph.D. Course	Humanities & Social Sciences	KRW 630,000	KRW 4,174,000	KRW 4,804,000
	Science & Physical Education	KRW 630,000	KRW 4,823,000	KRW 5,453,000
	Engineering & Arts	KRW 630,000	KRW 5,418,000	KRW 6,048,000

c. Tuition Fee for Graduate School of Industry & Culture

Sortation	By Category	2023 Tuition Fee for a Semester		
		Entrance Fee	Tuition Fee	Total Amount
Graduate School of Industrial Culture (Master's Course)	Humanities & Social Sciences	KRW 630,000	KRW 2,998,000	KRW 3,628,000
	Engineering & Arts and Physical Education	KRW 630,000	KRW 4,790,000	KRW 5,420,000

d. Tuition Fee for Graduate School of Education

Sortation	By Category	2023 Tuition Fee for a Semester		
		Entrance Fee	Tuition Fee	Total Amount
Graduate School of Education (Master's Course)	Humanities & Social Sciences	KRW 630,000	KRW 3,130,000	KRW 3,760,000
	Science & Arts and Physical Education	KRW 630,000	KRW 3,212,000	KRW 3,842,000

Appendix 2

Scholarships for International Students – Undergraduate Programs

The following scholarship policy is applied starting with freshman/transfer students in the 2023 fall semester and those enrolled in the 2023 fall semester.

1) Admission Excellence Scholarship

International students(freshman and transfer) are given benefits of tuition fee waiver in accordance with their official language proficiency level.

Language Proficiency Level	Exemption Rate	The Term of Validity	Remarks
·TOPIK Level 4 or above ·IELTS 6.5 or above	100%	First semester	* Only those who qualify for TOPIK or IELTS level at the time of admission
·IELTS 6.0	50%		

2) Academic Excellence Scholarship
